Dominion Day - 1950

"God of our Fathers, who were men of worth,
Bring in through us our native land's rebirth.

Throned in ten million hearts firm,
strong and free,
Have Thy Dominion, Lord, from sea to sea.
From many nations, we her children stream,
Make this, our land, the Empire of Thy dream.

Every year on July first, Canadians silently and verbally affirm their belief in this Canada of ours. This year, possibly to an extent never before experienced, individuals and families streaming in from countries all around the world, will celebrate our national holiday. They have found new homes in Canada — have they found the true democracy they came so far to seek? They are discovering the untold wealth of farm and forest, mine and mill — are they finding the counterpart in the hearts and minds of the Canadian people?

Many new-comers have escaped, literally, through a chink in the Iron Curtain. Do we make sure they do not find here a "steely curtain of selfishness"? They have fled from hunger and hurt, disease and death — physical, moral and spiritual. Must they encounter here the contagion of materialism and the disregard of moral law which increases divorce, industrial disputes, traffic accidents and crime?

"We who are your children, know you, O our land," so do not let us fool ourselves and thus strip our country of her mightiest opportunity. With homes that can be bulwarks, with educational facilities unsurpassed anywhere, let us keep remembering that the leadership of the future goes to men of moral courage; that as a great Oxford philosopher said, "A nation that has grown up intellectually, must grow up morally or perish."

For this, we need the re-dedication of our people to the elementary virtues of honesty, unselfishness and love and we must have the will to find what unites people rather than what divides them.

July first 1950 can become for our Canada the symbol of a new era — a new age leading to a new world.

Prize List for the Big Parade

Formation at the Stake House - 9:30

Floats	
1st Prize	— \$25
2nd Prize	— \$15
3rd Prize	— \$10

DECORATED CARS

1st Prize	— \$15
2nd Prize	— \$10
3rd Prize	— \$5

Best Dressed Cowgirl — \$5

Best Dressed Cowboy — \$5

Best Dressed Junior Girl — \$3

Best Dressed Junior Boy — \$3

Native Indian in Costume

Man — \$5 Lady — \$5

Decorated Bicycles

1st Prize	— \$3
2nd Prize	— \$2
3rd Prize	— \$1

Decorated Motorcycle

1st Prize	— \$3
2nd Prize	— \$2
3rd Prize	— \$1

Novelties

1st Prize	— \$3
2nd Prize	— \$2
3rd Prize	— \$1

Each Junior entering will be given 25¢

Prize money to be paid at the Town Hall immediately following parade

The Legion Pony

For only fifty cents you can win for the pony is to be made at the big dance at the Legion Hall on Saturday night.

The Hall is an asset to the community and the building loan must be repaid so your support is essential. While on the Legion topic, we would like to remind you to have dinner on July First at the Legion Hall. Meals will be served between 11 a.m. and 2 p.m. and from 5 p.m. to 7 p.m. The price is only 75¢ per plate and all proceeds go to the building fund.

We haven't any complete reports on the progress of the Stake Softball schedule but we do know that the good old Fourth Ward pushed good old Magrath First Ward out of the way and walked off with a win. It would have been a nice game to see.

Another thing we know is that the Bonnie View team is still undefeated. They played to a tie with Welling one game but have trimmed, and we mean really, the rest of the teams.

Except for the odd case of poor sportsmanship on the part of individuals the league seems to be going very smoothly.

Mr. and Mrs. I. B. Roberts recently returned from a two week vacation visiting friends and relatives in the States. While away they visited in Moses Lake, Wash. and points in Eastern Oregon and Western Idaho. They report a very enjoyable time.

Engagement

Announced

Mr. and Mrs. J. S. Follis of Raymond announce the engagement of their only daughter, Elizabeth, to William H. Pierce, only son of Mr. and Mrs. W. Pierce of Portage la Prairie, Manitoba. The wedding will take place in Raymond on July 24.

Mrs. Nita Mendenhall and Mrs. Eleanor Cook were hostesses to the Friday Night Club recently when they met at the home of Mrs. Mendenhall. A review of the trip to Banff to attend the Cancer School was capably given by Mrs. June Allred.

Mrs. Eunice Snow and Mrs. Beth Galbraith were guests.

A tasty lunch was served by the hostesses.

R A A A Track Meet

At the Provincial Track Meet, sponsored by the Raymond Amateur Athletic Association, held here last week several of the local boys won credit for themselves and the R.A.A.A. Although we do not have the complete list of winners here are some of the Raymond and district boys and the marks they made.

First we should say that Dorothy Stone, the only local girl to place, won the Softball Throw for girls under 14.

In the Boys under 19 class:

Doran Flexhaug won the High Jump, 5'7"; the Discus and Javelin Throw; came second in the Shot Putt and Pole Vault.

John Hudson won the Pole Vault.

Ken Hicken, while competing in the Pole Vault, had the misfortune to sprain his ankle.

In the Boys under 16 class:

Allan Tollestrup won the Aggregate Trophy by winning the Hurdles, ½ mile, Javelin Throw and placing 2nd in the High Jump.

Three Welling boys were among the winners in this class. Guy Gibb came second in the 440, Harold Chipman won the 2½ mile road race, 15 minutes 5 seconds and David Wilde placed second in the Hurdles.

The Raymond teams won the under 16 and under 19 relays.

W. D. Low is back at work at the Treasury Branch after having a very restful holiday. Mr. Mitchell was manager of the bank while Mr. Low was away.

Last Saturday Little Cynthia Hague placed third in the finals on Play Time, a children's talent hunt program heard over CJOC.

Water Users

The Town is attempting to supply everyone with enough water for domestic use, lawns, flowers and a small garden. This will be possible if water is not wasted.

The Water By-Law allows one sprinkler for each service with an opening not exceeding one quarter (¼) inch. Open hose are not allowed.

Those breaking these regulations are liable to a fine and to have their water service shut off.

Town Water Committee

Executive Scout Commissioner Here

Harry Holloway, Provincial Executive Commissioner was in town last Thursday to report on the recent Annual Boy Scout Executive Convention held in Ottawa recently. Among the many items of interest was the new "Plan of Achievement" which the Dominion Council discussed extensively. This plan will terminate before the second Annual Canadian Jamboree is held in 1953.

The following aims were mentioned:

1. 25% of each troop as 1st Class Scouts.
2. Each boy should have a total of 14 days in camp, this would include both week-end and summer camps.
3. One boy in each troop with the Bushman's Thong.

He also urged Group Committees to hold their meetings every month even if it were for only five minutes — at least long enough to find out that nothing had been done.

Mr. Holloway was the guest of Roy A. Woolley, District Commissioner for the Chinook District.

Artery of Civilization

This is a reprint article taken from the CIL Oval written by L. C. Hazelton

Whether we are conscious of it or not, printing affects every aspect of our everyday life. Think of all the printing we encounter in an average day, right from the morning paper. We read breakfast cereal boxes, jar labels, bread wrappers, calendars, street car tickets, cards, posters, sale slips, letterheads, invoices, cheques, order forms, magazines, The Raymond Recorder, books, playing cards, catalogues, greeting cards, hockey programs and so on and on.

More next week

Hope it doesn't rain for the First!

Weddings

Kirkham - Holland

Saturday, June 14, on the spacious lawn at the home of Mr. and Mrs. Mike Holland, their daughter Patricia became the bride of Gary Kirkham, eldest son of Mr. Joe Kirkham.

Bishop J. Golden Snow officiated at the ceremony.

The bride came forward on the arm of her father wearing a party dress of pink frosted nylon, accented by a large picture hat. She carried a bouquet of roses.

Her matron-of-honor was her sister, Mrs. Vivian Brown who wore a blue frosted nylon party dress with a coronet of flowers. She carried a bouquet of spring flowers.

The best man was Wayne Holland of Taber, brother of the bride.

Mrs. Ruby Holland wore an afternoon dress of figured grey silk while Mrs. LaRosa Kirkham chose a pink dress with eyelet trim. Both wore corsages of roses.

A reception for about 70 guests was held on the lawn immediately following the ceremony with Mr. and Mrs. Gil Evans and Mr. and Mrs. Bill McKee receiving the guests.

Mrs. Alice Mitchell was in charge of the guest book.

Miss Gelayne Holland sang, "I Love You Truly" during the signing of the register and Mrs. Betty Evans gave an appropriate reading.

A tasty lunch was served under the direction of Mrs. M. McKee.

The happy couple motored to Waterton for their honeymoon and upon their return they will make their home in Raymond.

Out-of-town guests were from Sweet Grass, Milk River, Taber and White Rock, B.C.

ROTE SPOKES

At the time of writing, the Raymond Rotes have not held their weekly meeting. To wind up the Rotary year a Hobo party and Barbecue has been planned for all Rotarians and Rotarians, Wednesday evening, June 28. Maybe more can be told of this 'hobnob' in next week's column. We will miss C. R. Wing and Jim Grant who left last Saturday for Waskesien to attend the District Assembly.

New Clubs

250 new clubs since July 1st, 1949. There are now 7,070 Rotary Clubs. Since May 1 the following clubs have been organized - England 1, U.S.A. 4, South Africa 1, Australia 2, Japan 1, Morocco 1, Italy 1, Peru 1, Brazil 1, Germany 1.

He Liked Everbody

Will Rogers said, "My epitaph or whatever you call those things on gravestones, is going to read, 'I have joked about every prominent man of my time but I never met a man I didn't like.' I'm so proud of that I can hardly wait to die so it can be carved and when you come 'round to my grave, you will probably find me there proudly reading it."

When they built the memorial to him on the top of Cheyenne Mountain in Colorado, they remembered his wish. Below the bronze bust of Will Rogers appear these words: "I never met a man I didn't like."

Here and There

The Rotary Club of Goodmages, England, has distributed yellow sticks to each of 1,000 old age pensioners, the object being for motorists to give these people special consideration.

The President of the Rotary Club in Metz, France, addressed the Rotary Club in Saarbrücken in German and the President of the Rotary Club in Saarbrücken returned the compliment by addressing the Metz club in French. This is a real gesture in the promotion of goodwill and understanding.

The Rotary Club of Nazik, India, is preparing a short summary of the book, "Service is My Business", in the Marathi language for free distribution in the community.

45 Rotarians of Italy and their ladies journeyed to Nice where a very enjoyable meeting was held, thus promoting International understanding.

The Rotary Club of Jaffa-Tel Aviv, Israel, recently donated the sum of 100 Israeli pounds to the Crippled Children's Society of Tel Aviv.

In a letter to the Rotary Club of Suva, Fiji Islands, congratulating the club on the 45th anniversary, the Governor of the Colony wrote: "Rotary in Suva is a very valuable asset and its place could be taken by nothing else."

Rotary is at work in 83 countries and in every case is attempting a worthwhile job.

Lighter Vein

"Why don't you attend church?" the minister asked a townsman.

"Well, I'll tell you, sir, the first time I went to church they threw water in my face, the second time they tied a woman to me and I've had to keep her ever since."

"Yes," said the parson, "and the next time they will throw dirt on you."

A small town newspaper publisher was trying to educate one of his new item contributors. "In your reporting you must watch your language," he said, "There are two words you should never use. One of these words is lousy and the other is terrific." After a slight hesitation, the news contributor asked, "What are the words?"

(continued on page two)

Hi folk, where's the big hat?
Have you noticed how much easier it is to be cheerful the past few days it was a swell rain and should do a lot of good for Raymond's 49th Stampede and Race Meet. Everyone seems to have caught the festive air that comes just before the Stampede. Have you noticed how many homes have taken on a new paint job around our fair town, fences are being repaired and hedges are being trimmed. If the Stampede didn't do anything else it would be worth the effort the many workers put into it for the dividends it pays in civic pride.

Speaking of houses and homes we see that Lion William Jensen has commenced work on his new home. We are glad to know that the Mayor still thinks Raymond is a good town.

If you see any of the following men rushing down Main Street at a speed not considered safe for pedestrian or motorist, get out of their way or get in and help as these men are responsible for seeing that the big show goes over.

Executive

Arena Secretary Frank R. Taylor
Arena Director Clark Lund

Raymond has been having a Stampede for more years than most of us can remember. Each year it has grown better with more thrills and spills but it still takes a lot of work. It was gratifying to see the many Club members present the night they went to the arena as a group to make the necessary repairs.

Well, hope to see you at 10 o'clock Saturday morning on Broadway when the parade will get under way and from then until Saturday night there won't be a dull moment in Raymond.

Wilford Burrows is vacationing in Regina. During his absence J. S. Follis is taking his place at the Mercantile.

United Church Notes

United Church Sunday School Picnic

A cavalcade of 18 cars left the Church at 12:15 Sunday, June 18, for Whoop-up for their annual picnic. Over 125 people enjoyed a basket lunch, dinner and supper, with a plentiful supply of pop and ice cream to round out the meals.

Ball games, horse-shoe pitching, races and swimming provided entertainment for all.

Keen competition was displayed in all novelty races.

Sunday School Activities

Closing ceremonies for the summer months were held in the United Church Sunday School on June 25. Despite inclement weather a goodly attendance witnessed the presentation of a beautiful leather-bound Bible to Georgina Harris for her 100% attendance during the past year.

Superintendent Ray Attwood asked that all Sunday School teachers keep the first Sunday in August open for a re-organization meeting. The children were reminded that the fall term will commence the second Sunday in September.

Welling Notes

(Faye Stringham)

A cottage meeting was held Wednesday, June 21, at the home of Mr. and Mrs. Vaughn Taylor. Alvin Bullock was the guest speaker, choosing as his subject "Temple Marriage". Mrs. Jesse Attwood read a poem that she had written as a tribute to her mothers. (We hope to be able to print the poem in the near future.)

Bob Wilde left recently for Fort Collins, Colorado where he will continue his studies on Irrigation and Drainage. He received a fellowship from the U of A for the University there.

Doris and Edith Weinheimer and Betty Mehew left recently for Waterton where they are employed at the Prince of Wales Hotel for the summer season.

Mr. and Mrs. Lee Jones of Rigby, Idaho visited here for a few days with Mrs. Jones' brother, B. A. Stringham.

Calvin Heggie, young son of Mr. and Mrs. John Heggie recently suffered a severe scalding on the head and back. His condition is improving.

A good representation of the Sunday School attended the convention held in Lethbridge, June 18.

Alene Foote of Calgary was a weekend visitor here recently.

Mrs. Atha Peterson has returned from Salt Lake where she attended the MIA Convention.

Ruth Weinheimer is a patient in a Lethbridge hospital.

Congratulations

Mrs. A. M. Wilde celebrated her 90th birthday on Sunday, June 25 and in her honor friends and relatives held a picnic at Whoop-up on Saturday afternoon. Games were played and lunch was served, followed by a program. Musical numbers were by Freda and Spencer Wilde, Warren and Elmer Wilde, Clifford Peterson, Floyd Wilde and Morris Peterson. Readings were given by Ross and Joyce Wilde, Mrs. Millie Peterson and Mrs. Maline Wilde. A skit was enacted by Roy Chipman's family. A beautiful and touching poem written by Mrs. Maline Wilde was read. (This also we hope to print.)

About 135 people were present at the festivities.

Mr. and Mrs. George Haugen, their two daughters and Ruth Haugen spent the week-end with their family in Aden. They were accompanied by two brothers, Carl and Leo, from Pincher Creek. They report that during their visit two inches of much needed rain fell.

A Creditable Record

The Alberta Wheat Pool has recently sent to Pool Elevator agents cheques covering patronage dividends for member deliveries to Pool Elevators in the 1948-49 crop year. Member patrons have also been credited with a patronage dividend paid in Pool reserves. Ownership of the Pool rests with the reserves.

THE 1948-49 PAYMENT IS AS FOLLOWS:

Cash	\$ 406,000
Pool reserves	\$ 813,000
Total distribution out of 1948-49 Pool Elevator earnings	\$ 1,219,000

LONG TIME RECORD

Since Alberta Pool Elevators started business, patronage dividends have been paid to member patrons as follows:

Cash	\$ 4,295,222.98
Reserves	\$ 4,335,003.73
	\$ 8,630,226.71

RESERVES SITUATION

Between the years 1923 and 1928 Pool members contributed \$8,467,000 in cash to build and operate Alberta Pool Elevators.

In recent years the Pool has been buying back such reserves from older members.

The total redeemed to date is \$5,300,000.

Such purchases of reserves are redistributed to current patrons of Pool Elevators in the form of patronage dividends.

Gardening

Supports Will Help

Winds, rains and sometimes just the weight of their own blooms or flowers will play hob with big plants. Unless supported often they will topple over when just at their best.

For bushy flowers like peonies, wire bent in the form of a hoop and supported about a foot or so from the ground, is excellent. For slender, taller plants such as tomatoes, dahlias, delphiniums, three to six foot stakes are recommended. These can be stained green or brown and won't be noticeable. In tying plants to these very soft twine or special raffia or ties are used. The main thing is to support firmly without binding the soft plant too tightly, and to do this early so that growth will not be cramped and look unnatural. Once they start growing quickly, staked tomatoes will require pruning (nipping off all side shoots) and tying once a week.

Green Manure is Useful

As soon as one part of the vegetable patch is used up (peas, spinach, radish, etc. will soon be out of the way and the ground clear), experienced gardeners make a practice of sowing some green crop like rye, oats, buckwheat, etc. This covers the ground, checks weed growth and when dug or plowed late in the fall, makes an excellent fertilizer. In addition to enriching the soil, such growth also adds essential humus.

Summer Lawn Care

Once the hot weather starts it will not be necessary and it is not advisable to cut grass quite so often or so short. The lawn may need more watering, however. Experts caution against sprinkling. One good soaking every week or ten days during a dry spell is worth a dozen of the other kind. Most weeds in the lawn are easily disposed of with a spraying or two with 2,4-D.

Of course there is little to be gained in killing out a bad patch of weeds with the new sprays unless the bare place following is reseeded with good lawn grass. It also helps matters to water and fertilize the lawn about a week after applying the 2,4-D to encourage new, quick growth of grass to fill in where the weeds have been destroyed.

ROTE SPOKES

Rotarians 100 Percent

Manners, gracious, toward old and young.

Ambition to do something worthwhile in life.

Religion, donned not just for Sunday, but practised every day in the week.

Knowledge not only of books, but of people, of nature and of life.

Speech that is clean, correct, effective, but never cruel or sarcastic.

Obedience to the law and to the dictates of his conscience.

Faith in God, in himself and in his fellowmen.

Humor with which to glimpse life's sunshine through life's shadows.

Understanding that all men are brothers regardless of color or creed.

Enthusiasm to do his share.

Determination to see right prevail.

Naturalness of manner, humility, freedom from arrogance, although he may have reached the top rung of the social ladder.

Obligation of Friendship

You ought to be fine for the sake of the folks

Who think you are fine

If others have faith in you, doubly you're bound

To stick to the line

It's not only on you that dishonor descends:

You can't hurt yourself without hurting a friend.

For friendship, my boy, is a bond between men

That is founded on truth;

He believes in the best of the ones that it loves,

Whether old man or youth;

And the stern rule it lays down for me and for you

Is to be what our friends think we are, through and through.

I've talked with men and I think I know

What's under the toughest skin.

I've seen their eyes grow bright and glow

With the fire that burns from within.

And back of the gold and back of the fame

And back of the selfish strife,

In most men's breasts you'll find the flame

Of the nobler things of life.

Until next week this is your Rote Reporter who at the end of a perfect day is usually exhausted.

Mother

IS A MIGHTY GOOD PROVIDER!

AND ALBERTA SUGAR IS HER CHOICE

Row upon row of strawberry jam, cherries, peaches, pears, preserves, are in mother's basement. And what a satisfying feeling they give--glorious eating pleasure for the months ahead. Home-preserved jams, jellies and fruits are unrivalled for goodness and flavour--so convenient too for family meals and unexpected company. Be a good provider in your home. Preserve this summer with Alberta Sugar, the pure, sparkling sugar, that assures perfect results.

STRAWBERRIES ARE IN!

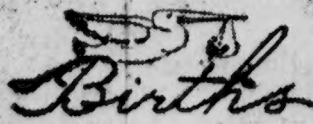

Canadian and home-grown strawberries are at their peak of quality, their lowest price. See your grocer now for a good preserving supply.

Sweet Charity

By H. G. L. Strange

"To pity distress is but human;
To relieve it is God-like."

So, long ago, wrote the American philosopher Horace Mann as he meditated on the spontaneous kindness of warm-hearted people of differing faiths and beliefs as they instinctively rushed to the aid of their fellow human beings in great distress.

The people of Manitoba have suffered a catastrophe from flood unequalled in the history of Canada. Every human being in a rural area containing 12 towns and villages, 65 miles long and 25 miles wide, have been obliged suddenly to leave their farms and homes. Everything they possessed is under water, much of their livestock and seed is destroyed. Tens of thousands of city people in Winnipeg likewise have had to flee from their homes, leaving behind clothing, household equipment, furniture and possessions of all kinds.

These thousands of refugees—men, women and children alike—now sit

sad and bewildered in strange places, far from their once happy farms and homes, wondering what the future holds for them.

But their hearts will be gladdened, their spirits uplifted and their hopes renewed as they hear the tidings that their warm-hearted fellow citizens are donating generously to the Manitoba Flood Relief Fund. Contributions made to this most worthy fund will relieve human distress and more; will enable the giver.

Mr. and Mrs. Ted Meeks, Theodora, Mrs. Viola Lamarr, Mrs. Bertha Stone and Mrs. Barbara McPhee were recent visitors in Salt Lake.

Swimming Pool Open

The Swimming Pool is now open and tickets may be obtained from the Town Office. Season tickets sell for 50¢ (Single swim 20¢). Lifeguard on regular duty.

Church Activities

A Farewell Sermon was preached by Rev. Ward on Sunday morning, June 25. His text was found in the Gospel according to St. John, "In my Father's House there are many Mansions".

The minister took the congregation back with him to the beginning of his ministry in Raymond and then carried them through the changes that have come about here since that time, commenting on the growth, especially in

the Y.P.S. work. He concluded his address with two very pertinent thoughts behooving his charges to: "Endure the Cross for the sake of the things beyond the Cross," and "Those who work for Christ shall not fall if they faint not."

The congregation of Raymond thank Rev. Ward for the efforts he has expended on our behalf. We wish him God-speed at his new charge, Agassiz, B. C.

Mrs. Eva Garner is vacationing in Vancouver.

Canadian Pacific
WORLD'S GREATEST TRAVEL SYSTEM

Come to Church

"The hour shall be filled with music,
With songs, and praise, and prayer;
And the burdens of life shall be lifted
From all who enter there."

It is good for us in the general uproar of the world to pass through a season of quiet meditation and put our fingers on our spiritual pulses and see what kind of life we are living. We cannot best estimate our own life in the noise of the street and the turbulence of the world and need to retire within and shut the door that we may see with a quiet eye and balanced judgment what manner of persons we are. The world is too much with us, and late or soon we spend our spiritual substance in worldly ambitions and anxious living. Simply to step into the seclusion and quiet of a church tends to cool our fevered pulses and calm our agitated hearts and give us peace. God is the great need of our souls, and while we should always live in His presence, yet there are times and means for realizing in a special degree His nearness.

Local Happenings

The local Red Cross ladies, under the direction of Mrs. F. G. Hall, Pres., quilted three quilts for the Manitoba Flood Relief last week.

Dr. Orson Bingham, his father, F. Bingham of Magrath, Mrs. Ruth Nalder, Mrs. Bessie Lybbert and Mrs. Eleanor Hudson were MIA Convention attendants at Salt Lake.

Nels Peterson has returned home from the hospital and is progressing favorably.

We were happy to receive a copy of the Salt Lake Tribune that carried most of the stories and pictures of the M.I.A. Convention. We were also happy to see a couple of well-known faces shown in that issue, those of Dr. Orson Bingham and C. E. Allred.

Mr. and Mrs. Fred Penrose and Mr. and Mrs. Dewey of Downey, Idaho were recent guests at the home of Mr. and Mrs. J. O. A. Stevenson. Mr. and Mrs. Penrose are Mrs. Stevenson's uncle and aunt.

Mrs. Dora Jacobs of Cardston has been visiting at the home of Dr. and Mrs. Orson Bingham and Mr. and Mrs. Lyman Jacobs the past two weeks.

A group of young people from Raymond were privileged to attend the MIA Convention in Salt Lake and participate in a dance where 3800 dancers were on the floor at one time. Those attending were: Dale Hicken, Alene Thompson, Jerry Finch, Barbara McPhee, Dick Bowden, Janet Turner, Reid and Rita Walker.

MASSEY-HARRIS HOME FREEZER

From now on you can have strawberries, asparagus, ice cream, juicy steaks, fish, game, fruit juices—not just when they come in season—but anytime. Just reach into your Home Freezer... more food, more kinds of food, better food, always at your finger tips. And think what you'll save by shopping in quantity—when prices are right and quality is at its peak.

Home Freezing is the modern way to preserve food, to keep it in all climates while conserving quality and flavour. The MASSEY-HARRIS Home Freezer is big enough for a large family yet sound economy for even a family of two.

Market gardeners, dairymen, fruit growers, townsfolk and villagers have proved the MASSEY-HARRIS Home Freezer. Now you can get yours—and with no waiting.

Two compartments with a capacity of ten cubic feet—and every inch for food. (Larger size with three compartments—17 cubic feet capacity.) Costs very little more to run than an ordinary electric refrigerator—same to install!
